

AZ Landscape Contractors' Association

Presents:

Sustainable Landscape Management Certification Training

What will you learn?

- ◆ Goal of Sustainable Landscape Management (SLM)
- ◆ Why sustainable practices are important
- ◆ The anticipated outcome of doing it the correct way
- ◆ Why sustainable practices differ from past practices
- ◆ What work is necessary or generated to better support the goal
- ◆ Who will benefit from the application of these practices and why

What is the benefit of becoming SLM Certified?

- ◆ SLM Certified recipients will receive a certificate, laminated card and their name, company name & certification number posted on the ALCA website.
- ◆ Current and prospective clients will be able to recognize who is trained in SLM.

How do you become certified?

- ◆ Register and attend the SLM classes:
 - ◇ June 1 at Pima County Cooperative Extension: 4210 N Campbell Ave, Conference Room, Tucson
 - ◇ June 15, and June 29 at the ALCA office: 5425 E Bell Rd, #105, Scottsdale
 - ◇ Workshops are from 7 a.m. to 12 p.m.
- ◆ Score at least 70% on a 50 question exam that will be administered immediately following the workshop.
- ◆ Maintain your certification by earning 8 CEU's every two years.
- ◆ Only members of ALCA may receive this certification.

COST: \$75 per person plus an additional \$27.33 for SLM publication if you have not purchased one.

If you score less than 70%, you have 2 chances to retake the exam at \$25 each time.

Class size is limited to the first 30 registrants. Since this a new class, limit 3 per company until further notice.

You must be an ALCA member to earn this certification.

NO REFUNDS will be given a week prior to each workshop; you may substitute participants from your company.
