Groundskeeper Specialist (Spray Technician) - Tempe campus
Arizona State University
FDM FM Grounds Services
Campus: Tempe
61012BR

Job Description: Facilities Development and Management, Tempe campus, seeks a Groundskeeper Specialist (Spray Technician) to perform grounds maintenance specializing in pest control and fertilizer applications for campus grounds.

Salary Range: To be determined
Close Date: 17-June-2020

Essential Duties:
- Maintain grounds and roads, e.g. plant, remove debris, water, spray for or otherwise treat weed, insects, and other pests.
- Assess disease and pest problems in lawn and landscape areas and perform pest and disease control operations.
- Maintain lawns, planting areas, sprinkler systems and area watering lines.
- Work with crew trimming, pruning and chipping a variety of trees and shrubs.
- Train and work alongside groundskeepers in the maintenance of grounds, trees and shrubs as required.
- Operate large power and field mowers, hand tools and large vehicles associated with ground maintenance and landscaping activities.
- Perform minor maintenance and repair on equipment and tools as required.
- Coordinate irrigation and watering activities within area of specialty.
- Perform maintenance, and install/remove outdoor signage.
- Use ability to communicate verbally, read, write, see and hear to perform the essential functions of the job.

DAYS AND SCHEDULE: Monday - Friday; 5:00AM – 1:30PM

Minimum Qualifications:
Two (2) years of grounds maintenance experience, OR, Associate Degree in Horticulture or related field e.g. Golf Course Management, Sports Turf Management, Landscape Construction; OR, Any equivalent combination of education and/or experience from which comparable knowledge, skills and abilities have been achieved; AND possess and maintain One (1) Grounds certification or equivalent e.g. Arizona Pest Application License, Certified Arborist from International Society of Arboriculture, Certified Grounds Technician from PGMS, Passed Desert Landscaper School from the Phoenix Desert Botanical Garden. Employee may be required to
possess a valid US Driver’s license of the appropriate class and required endorsements throughout employment.

**Desired Qualifications:**
Experience in:
- fertilizer and pesticide applications management
- operating and performing maintenance on specialized equipment including sprayer tanks, booms, pumps, handheld and backpack sprayers in a safe and efficient manner
- training and working alongside others in proper integrated pest management practices and work site safety
- providing customer service

Demonstrated knowledge of:
- fertilizer and/or pesticide applications
- integrated pest management practices
- weed and pest identification
- Effective verbal and written communication skills

**Working Environment:**
Activities regularly require long periods of exposure to external elements indigenous to a desert environment, weather, and potential exposure to venomous pests, pesticides, and fertilizers. Regularly required to operate a variety of landscaping equipment, tools and machines requiring extended periods of walking over uneven and occasionally rocky surfaces, stooping, bending, reaching, lifting and pushing objects of varying weights up to 50 pounds.
