The Arizona Landscape Contractors' Association (ALCA) was formed in 1963. The membership consists of both installation and maintenance contractors and the suppliers with whom they do business. The organization has many functions, but one of its primary responsibilities is education. With that in mind, ALCA established a scholarship fund in which awards are given based on merit. Should you have any questions about ALCA scholarships, please call the office in Phoenix at (602) 626-7091.
