

Label and Safety Data Sheet Information Compare and Contrast Activity

Instructions: The following table includes a list of information that can be found on pesticide labels and/or safety data sheets (SDS). On the pesticide label and SDS provided, search for the information/section listed on the first column. When you find the information/section listed, place a check mark under the corresponding column. (Some sections may be found on both the label and SDS so place a check mark under each column). This will help you to identify the similarities and differences between a label and SDS.
